Jewish Roots II - JET COURSE – JEWISH EVANGELISM TRAINING

For I am not ashamed of the gospel, for it is the power of God for salvation to everyone who believes, to the Jew first and also to the Greek. Rom 1:16

Today, there are more Jewish people coming to faith in the MESSIAH than there has been since the first century. God is working among the Jewish people, and where the Lord is at work, we must also be at work. At times, however, witnessing to Jewish people can seem intimidating: What if they ask me a question that I don't know the answer to? What if I'm rejected because I don't understand their culture and traditions? How can those of us who are Gentiles effectively reach Jewish and Gentile people with the Good News Gospel? This course developed for SWFBI in order to equip and empower you to live out the high calling of representing the Jewish Messiah. You will learn through the Jewish Evangelism course: Reasons you should share the Gospel with Jewish and Gentile people, Major obstacles that hinder Jewish people from considering faith in Yeshua, and how to answer common legitimate objections to the Good News that a Jewish person may have.

When Paul was speaking to Gentiles in Romans 11:5, he encouraged them with these words: "So too at the present time there is a remnant, chosen by grace." God has prepared Jewish people in our neighborhoods and communities to give ear and respond to the Good News as shared by the Jewish Messiah.
